## **VII. DISCOVERY AND SETTLEMENT DATA**

59. Class Counsel and Defendant have engaged in extensive discovery related to liability and damages. The parties believe that they possess all data necessary to effectuate this settlement. Defendant will bear the expense of extracting and/or obtaining the necessary data to make available to Class Counsel's expert for analysis, while any costs associated with Class Counsel's expert's work will be deducted from the Settlement Fund. Class Counsel's expert will analyze the data provided to determine Class membership as well as the amount of the damages to the Jailed Classes, Narrowed Paid Fines Class, and Remaining Paid Fines Class and each Settlement Class Member. Class Counsel's expert will then create a list of Settlement Class members, damage amounts, and their postal addresses, which will be provided to Defendant for review and approval and then to the Settlement Administrator in order to provide Notice and for use in distributing Settlement Class Member Payments. For those members of the Remaining Paid Fines Class, the Settlement Administrator will provide a postcard Notice that contains an additional Payment Information Form (or similar form as approved by the Parties) that must be detached and returned via mail, as well as an online version of the same form, as there are a number of missing addresses for said class members. The Settlement Administrator shall use all updated addresses from the Remaining Paid Fines Class obtained via the Payment Information Forms, as applicable. If a mailed Postcard Notice is returned with a new forwarding address information, the Settlement Administrator shall re-mail the Postcard Notice to the new forwarding address. Plaintiffs shall file their motion for Final Approval of the Settlement no later than 45 days before the Final Approval Hearing. At the Final Approval Hearing, the Court will hear argument on Plaintiffs' Motion for Final Approval of the Settlement, and on Class Counsel's application for attorneys' fees and costs and for the Service Awards for the Class Representatives. In the Court's discretion, the Court also will hear argument at the Final Approval Hearing from any members of the Jailed Classes, Narrowed Paid Fines Class, and/or Remaining Paid Fines Class who object to the Settlement or to Class Counsel's application for attorneys' fees and costs or the Service Award application. If the date or location of the Final Approval Hearing changes, that information will be included on the Settlement Website for the Settlement Class's benefit.

77. At or following the Final Approval Hearing, the Court will determine whether to enter the Final Approval Order granting Final Approval of the Settlement and final judgment thereon, and whether to approve Class Counsel's application for attorneys' fees and costs and Service Awards for the Class Representatives. Such proposed Final Approval Order shall, among other things:

- a. Determine that the Settlement is fair, adequate, and reasonable;
- b. Finally certify the Remaining Paid Fines Class for settlement purposes only;

- c. Determine that the Notice provided satisfies Federal Rule of Civil Procedure 23 and Due Process requirements;
- d. Bar and enjoin all Releasing Parties from asserting any of the Released Claims; bar and enjoin all Releasing Parties from pursuing any Released Claims against Defendant or its affiliates at any time, including during any appeal from the Final Approval Order;
- e. Release Defendant and the Released Parties from the Released Claims; and
- f. Reserve the Court's continuing and exclusive jurisdiction over the Parties to this Agreement, including Defendant, all members of the Jailed Classes, Narrowed Paid Fines Class, and Remaining Paid Fines Class, and all objectors, to construe and enforce this Agreement in accordance with its terms.

**XI. CALCULATION AND DISBURSEMENT OF SETTLEMENT CLASS MEMBER PAYMENTS**

78. All funds held by the Settlement Administrator shall be deemed and considered to be in *custodia legis* of the Court, and shall remain subject to the jurisdiction of the Court, until distributed pursuant to this Agreement.

79. All funds held by the Settlement Administrator at any time shall be deemed to be a Qualified Settlement Fund as described in Treasury Regulation §1.468B-1, 26 C.F.R. §1.468B-1. Payments shall be made from the Settlement Fund as follows:

- a. Class Counsels' Fees and Costs. Class Counsels' reasonable attorneys' fees and costs, as determined and approved by the Court, shall be paid from the Settlement Fund within 21 days after the Effective Date. Class Counsel shall apply for an award of attorneys' fees of up to 33.33% of the Settlement Fund, plus reimbursement of reasonable litigation costs, to be approved by the Court.

After approval by the Court, attorneys' fees shall be awarded and divided according to the terms of the Joint Prosecution Agreement (JPA) between Plaintiffs' counsel: 40% of the gross fee to ArchCity Defenders, 40% of the gross fee to Tycko & Zavareei, and 20% of the gross fee to Keane Law LLC. Defendant agrees not to oppose an application for attorneys' fees of up to 33.33% of the Settlement Fund, but reserves the right to oppose an application for attorneys' fees in excess of that amount.

- b. Service Awards. Subject to Court approval, the Class Representatives shall each be entitled to receive a Service Award of up to \$7,500.00 for his or her role as a Class Representative. The Service Award shall be paid no later than 21 days after the Effective Date.
- c. Settlement Administrator's Fees and Costs. The Settlement Administration Costs shall be paid from the Settlement Fund, except that prior to Final Approval, the Settlement Administrator will invoice Defendant for the cost of the Notice Program and Defendant, or Defendant's insurer on behalf of Defendant, will pay such invoice(s) promptly upon receipt. Upon entry of an Order granting Final Approval, said Notice Program costs will be deducted from the total Settlement Fund, thereby reducing the amount to be paid into the Escrow Account by Defendant by the amount of the Notice Program costs. In the event the Final Approval Order is not entered or this Agreement is terminated pursuant to Section XV below, the parties agree to split equally any Settlement Administration Costs incurred by the Settlement Administrator prior to the denial of Final Approval or the termination of this Agreement, including the

Notice Program costs.

d. Settlement Class Member Payments.

i. The Jailed Class Net Settlement Fund shall be paid *pro rata* to the members of the Jailed Classes using the following calculation:

1. The dollar amount of the Jailed Class Net Settlement Fund divided by the total number of hours spent in jail by all members of the Jailed Classes, which yields a per-jailed-hour amount;
2. Multiply the per-jailed-hour amount by the total number of hours jailed for each member of the Jailed Classes.
3. This results in a Jailed Class Member Payment for each member of the Jailed Classes.

ii. The Narrowed Paid Fines Net Settlement Fund shall be paid *pro rata* to the members of the Narrowed Paid Fines Class using the following calculation:

1. The dollar amount of the Narrowed Paid Fines Class Settlement Fund divided by the total dollar amount of qualifying fines, costs, and/or fees paid by all members of the Narrowed Paid Fines Class, which yields a per-dollar-fined rate;
2. Multiply the per-dollar-fined rate by the total amount of fines, costs, and/or fees assessed against and paid by each member of the Narrowed Paid Fines Class.
3. This results in a Narrowed Paid Fines Class Member Payment for each member of the Narrowed Paid Fines Class.

- iii. The Remaining Paid Fines Net Settlement Fund shall be paid *pro rata* to the members of the Remaining Paid Fines Class who timely submit a valid Payment Information Form, using the following calculation:
1. The dollar amount of the Remaining Paid Fines Class Settlement Fund divided by the total dollar amount of fines, costs, and/or fees paid by all members of the Remaining Paid Fines Class, which yields a per-dollar-fined rate;
  2. Multiply the per-dollar-fined rate by the total amount of fines, costs, and/or fees charged to and paid by each member of the Remaining Paid Fines Class.
  3. This results in a Remaining Paid Fines Class Member Payment for each member of the Remaining Paid Fines Class who timely submitted a valid Payment Information Form.
  4. Remaining Paid Fines Class Members will be required to provide their payment information by the Response Deadline as a condition of receiving payment under the Settlement. Remaining Paid Fines Class Members must elect to receive their payment by physical check, electronic check, or Automated Clearing House (“ACH,” a/k/a direct deposit). For those Remaining Paid Fines Class Members who provide their payment information, a transfer reflecting their payment shall be transmitted to the Remaining Paid Fines Class Members within 30 calendar days after the Effective Date.
- iv. The total of the Jailed Class Member Payment, Narrowed Paid Fines

Class Member Payment, and/or Remaining Paid Fines Class Member Payment due to each Settlement Class Member is the total Settlement Class Member Payment.

v. Settlement Class Member Payments shall be made no later than 30 days after the Effective Date, as follows:

1. Members of the Jailed Classes, Narrowed Paid Fines Class, and/or Remaining Paid Fines Class shall be sent a check by the Settlement Administrator at the address used to provide the Notice, or at such other address as designated by the Class Member or by such other payment method as designated by the Class Member (for example, as included in the Payment Information Form for Remaining Paid Fines Class Members). The Settlement Administrator will make reasonable efforts to locate the proper address for any check returned by the Postal Service as undeliverable and will re-mail it once to the updated address. Class Members shall have 90 days to negotiate the check. Any checks uncashed after 90 days shall be distributed pursuant to Section XII.

e. In no event shall any portion of the Settlement Fund revert to Defendant.

## **XII. DISPOSITION OF RESIDUAL FUNDS**

80. Within 120 days after the date the Settlement Administrator mails the first Settlement Class Member Payment, any remaining amounts resulting from uncashed checks (“Residual Funds”) shall be distributed as follows:

81. First, any Residual Funds remaining after distribution shall be distributed on a pro rata basis to participating members of the Jailed Classes, Narrowed Paid Fines Class, and Remaining Paid Fines Class who received and cashed Settlement Class Member Payments, to the extent feasible and practical in light of the costs of administering such subsequent payments, unless the amounts involved are too small to make individual distributions economically feasible or other specific reasons exist that would make such further distributions impossible or unfair. Should such a second distribution be made, members of the Jailed Classes, Narrowed Paid Fines Class, and/or Remaining Paid Fines Class will receive a second check. Any second distribution checks shall be valid for 90 days.

82. Second, in the event the costs of preparing, transmitting and administering such subsequent payments to members of the Jailed Classes, Narrowed Paid Fines Class, and Remaining Paid Fines Class are not feasible and practical to make individual distributions economically feasible or other specific reasons exist that would make such further distributions impossible or unfair, or if such a second distribution is made and Residual Funds still remain, Class Counsel and Defendant shall seek the Court's approval to distribute the Residual Funds to a *cy pres* recipient. The Parties shall propose Marygrove as the *cy pres* recipient, an entity that is a nonprofit organization or foundation providing residential and non-residential mental health support to children in the St. Louis region who have suffered abuse.

83. Within 30 days after the date on which checks issued from the first distribution are no longer valid, the Parties shall submit a report to the Court identifying the total amount that was actually paid to members of the Jailed Classes, Narrowed Paid Fines Class, and Remaining Paid Fines Class and whether the Parties request approval of a second distribution or whether instead the *cy pres* payment should be made. The report will also request Court-approval of the *cy pres*

recipient(s) for any residual funds that remain following the second distribution or that should immediately be paid in the event that there will be no second distribution.

84. All costs of any second distribution shall come from the Residual Funds. Costs for delivery of Residual Funds to a *cy pres* recipient shall also come from the Residual Funds.

### **XIII. RELEASES**

85. As of the Effective Date, the Releasing Parties shall automatically be deemed to have fully and irrevocably released and forever discharged the Released Parties of and from any and all liabilities, rights, claims, actions, causes of action, demands, damages, costs, attorneys' fees, losses and remedies, whether known or unknown, existing or potential, suspected or unsuspected, liquidated or unliquidated, legal, statutory, or equitable, based on contract, tort or any other theory, that result from, arise out of, are based upon, or relate to the conduct, omissions, duties or matters during the Class Period that were or could have been alleged in the Action, including but not limited to "sham warrant" claims and claims for injunctive relief ("Released Claims").

86. Each member of the Jailed Classes, Narrowed Paid Fines Class, and/or Remaining Paid Fines Class is barred and permanently enjoined from bringing on behalf of themselves, or through any person purporting to act on their behalf or purporting to assert a claim under or through them, any of the Released Claims against Defendant in any forum, action, or proceeding of any kind.

### **XIV. PAYMENT OF ATTORNEYS' FEES AND COSTS AND SERVICE AWARDS**

87. Defendant agrees that Class Counsel shall be entitled to request an award of reasonable attorneys' fee of up to 33.33% of the Settlement Fund and request reimbursement of reasonable costs, to be determined by the Court. Any award of attorneys' fees and costs to Class

Counsel shall be payable solely out of the Settlement Fund. The Parties agree that the Court's failure to approve, in whole or in part, any award for attorneys' fees shall not prevent the Settlement Agreement from becoming effective, nor shall it be grounds for termination.

88. The application for attorneys' fees and costs to be awarded to Class Counsel and for Service Awards for the Class Representative shall be filed not later than 75 days before the Final Approval Hearing.

89. After the attorneys' fees and costs have been paid to Class Counsel by the Settlement Administrator, Class Counsel shall be solely responsible for distributing each Class Counsel firm's allocated share of such fees and costs to that firm. Defendant shall have no responsibility for any allocation, and no liability whatsoever to any person or entity claiming any share of the funds to be distributed for payment of attorneys' fees and costs or any other payments from the Settlement Fund not specifically described herein. Likewise, Class Counsel shall be solely responsible for addressing and resolving any claim or dispute asserted by any Settlement Class Member concerning entitlement to a payment, the amount of such payment, or any other issue raised regarding this settlement, including any attorneys' fees and any other costs or expenses.

90. Defendant agrees that Class Counsel shall be entitled to request the Court to approve a Service Award to each Plaintiff as a Class Representative in an amount up to \$7,500.00, to be approved by the Court. The Service Award shall be paid to the Class Representative in addition to Class Representative's Settlement Class Member Payment. The Parties agree that the Court's failure to approve a Service Award, in whole or in part, shall not prevent the Settlement Agreement from becoming effective, nor shall it be grounds for termination.

91. The Parties negotiated and reached agreement regarding attorneys' fees and costs and the Service Awards only after reaching agreement on all other material terms of this

Settlement.

**XV. TERMINATION OF SETTLEMENT**

92. This Settlement may be terminated by either Class Counsel or Defendant by serving on counsel for the opposing Party and filing with the Court a written notice of termination within 15 days (or such longer time as may be agreed in writing between Class Counsel and Defendant) after any of the following occurrences:

- a. Class Counsel and Defendant agree to termination;
- b. the Court rejects, materially modifies, materially amends, or changes, or declines to grant Preliminary Approval or Final Approval;
- c. an appellate court vacates or reverses the Final Approval Order, and the Settlement is not reinstated and finally approved without material change by the Court on remand within 360 days after such reversal;
- d. any court incorporates into, or deletes or strikes from, or modifies, amends, or changes, the Preliminary Approval Order, Final Approval Order, or the Settlement in a way that Class Counsel or Defendant seeking to terminate the Settlement reasonably considers material;
- e. the Effective Date does not occur; or
- f. any other ground for termination provided for elsewhere in this Agreement.

93. The Parties agree that the Court will resolve any dispute among them regarding whether the Settlement may be terminated pursuant to this Agreement.

**XVI. EFFECT OF A TERMINATION**

94. The grounds upon which this Agreement may be terminated are set forth herein above. In the event of a termination, this Agreement shall be considered null and void; all of

Plaintiffs', Class Counsel's, and Defendant's obligations under the Settlement shall cease to be of any force and effect; and the Parties shall return to the status *quo ante* in the Action as if the Parties had not entered into this Agreement. In addition, in the event of such a termination, all of the Parties' respective pre-Settlement rights, claims and defenses will be retained and preserved.

95. The Settlement shall become effective on the Effective Date unless earlier terminated in accordance with the provisions hereof. The Settlement is final and shall not be terminable as of the Effective Date.

96. In the event the Settlement is terminated in accordance with the provisions of this Agreement, any discussions, offers, or negotiations associated with this Settlement shall not be discoverable or offered into evidence or used in the Action or any other action or proceeding for any purpose. In such event, all Parties to the Action shall stand in the same position as if this Agreement had not been negotiated, made, or filed with the Court.

#### **XVII. NO ADMISSION OF LIABILITY**

97. Defendant continues to dispute its liability for the claims alleged in the Action. Defendant does not admit any liability or wrongdoing of any kind, by this Agreement or otherwise. Defendant has agreed to enter into this Agreement to avoid the further expense, inconvenience, and distraction of burdensome and protracted litigation, and to be completely free of any further claims that were asserted or could possibly have been asserted in the Action.

98. Class Counsel believe that the claims asserted in the Action have merit, and they have examined and considered the benefits to be obtained under the proposed Settlement set forth in this Agreement, the risks associated with the continued prosecution of this complex, costly, and time-consuming litigation, and the likelihood of success on the merits of the Action.

Class Counsel fully investigated the facts and law relevant to the merits of the claims, conducted significant discovery, extensive motions practice including on the pleadings and at class certification, and conducted independent investigation of the challenged practices. Class Counsel concluded that the proposed Settlement set forth in this Agreement is fair, adequate, reasonable, and in the best interests of the members of the Classes.

99. The Parties understand and acknowledge that this Agreement constitutes a compromise and settlement of disputed claims. No action taken by the Parties either previously or in connection with the negotiations or proceedings connected with this Agreement shall be deemed or construed to be an admission of the truth or falsity of any claims or defenses heretofore made, or an acknowledgment or admission by any party of any fault, liability, or wrongdoing of any kind whatsoever.

100. Neither the Settlement, nor any act performed or document executed pursuant to or in furtherance of the Settlement: (a) is or may be deemed to be, or may be used as, an admission of, or evidence of, the validity of any claim made by the Plaintiffs or members of the Classes, or of any wrongdoing or liability of the Released Parties; or (b) is or may be deemed to be, or may be used as, an admission of, or evidence of, any fault or omission of any of the Released Parties, in the Action or in any proceeding in any court, administrative agency, or other tribunal.

101. In addition to any other defenses Defendant may have at law, in equity, or otherwise, to the extent permitted by law, this Agreement may be pleaded as a full and complete defense to, and may be used as the basis for an injunction against, any action, suit or other proceeding that may be instituted, prosecuted, or attempted in breach of this Agreement or the Releases contained herein.

### **XVIII. MISCELLANEOUS PROVISIONS**

102. Gender and Plurals. As used in this Agreement, the masculine, feminine or neuter gender, and the singular or plural number, shall each be deemed to include the others whenever the context so indicates.

103. Binding Effect. This Agreement shall be binding upon, and inure to for the benefit of, the successors and assigns of the Releasing Parties and the Released Parties.

105. Obligation to Meet and Confer. Before filing any motion in the Court raising a dispute arising out of or related to this Agreement, the Parties shall consult with each other and certify to the Court that they have consulted.

106. Integration. This Agreement constitutes a single, integrated written contract expressing the entire agreement of the Parties relative to the subject matter hereof. No covenants, agreements, representations, or warranties of any kind whatsoever have been made by any Party hereto, except as provided for herein.

107. No Conflict Intended. Any inconsistency between the headings used in this Agreement and the text of the paragraphs of this Agreement shall be resolved in favor of the text.

108. Governing Law. Except as otherwise provided herein, the Agreement shall be construed in accordance with, and be governed by, the laws of the State of Missouri, without regard to the principles thereof regarding choice of law.

109. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, even though all Parties do not sign the same counterparts. Original signatures are not required. Any signature submitted by facsimile or through email of an Adobe PDF shall be deemed an original.

110. Jurisdiction. The Court shall retain jurisdiction over the implementation, enforcement, and performance of this Agreement, and shall have exclusive jurisdiction over any suit, action, proceeding, or dispute arising out of or relating to this Agreement that cannot be resolved by negotiation and agreement by counsel for the Parties. The Court shall retain jurisdiction with respect to the administration, consummation, and enforcement of the Agreement and shall retain jurisdiction for the purpose of enforcing all terms of the Agreement. The Court shall also retain jurisdiction over all questions and/or disputes related to the Notice Program and the Settlement Administrator. As part of their agreement to render services in connection with this Settlement, the Settlement Administrator shall consent to the jurisdiction of the Court for this purpose. The Court shall retain jurisdiction over the enforcement of the Court's orders barring all Releasing Parties from asserting any of the Released Claims and from pursuing any Released Claims against Defendant or its affiliates at any time, including during any appeal from the Final Approval Order.

113. No Waiver. The waiver by any Party of any breach of this Agreement by another Party shall not be deemed or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, of this Agreement.

114. Authority. Class Counsel (for the Plaintiffs and members of the Classes), and Defendant, represent and warrant that the persons signing this Agreement on their behalf have full power and authority to bind every person, partnership, corporation, or entity included within the definitions of Plaintiff and Defendant to all terms of this Agreement. Any person executing this Agreement in a representative capacity represents and warrants that he or she is fully authorized to do so and to bind the Party on whose behalf he or she signs this Agreement to all of the terms and provisions of this Agreement.

115. Agreement Mutually Prepared. Neither Defendant nor Plaintiffs, nor any of them, shall be considered to be the drafter of this Agreement or any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed

against the drafter of this Agreement.

116. Independent Investigation and Decision to Settle. The Parties understand and acknowledge that they: (a) have performed an independent investigation of the allegations of fact and law made in connection with this Action; and (b) that even if they may hereafter discover facts in addition to, or different from, those that they now know or believe to be true with respect to the subject matter of the Action as reflected in this Agreement, that will not affect or in any respect limit the binding nature of this Agreement. Defendant has provided and is providing information that Plaintiffs reasonably request to identify members of the Classes and the alleged damages they incurred. The Parties agree that this Settlement is reasonable and will not attempt to renegotiate or otherwise void or invalidate or terminate the Settlement irrespective of what any unexamined data later shows. It is the Parties' intention to resolve their disputes in connection with this Action pursuant to the terms of this Agreement now and thus, in furtherance of their intentions, the Agreement shall remain in full force and effect notwithstanding the discovery of any additional facts or law, or changes in law, and this Agreement shall not be subject to rescission or modification by reason of any changes or differences in facts or law, subsequently occurring or otherwise.

117. Receipt of Advice of Counsel. Each Party acknowledges, agrees, and specifically warrants that he, she, or it has fully read this Agreement and the Releases contained herein, received independent legal advice with respect to the advisability of entering into this Agreement and the Releases, and the legal effects of this Agreement and the Releases, and fully understands the effect of this Agreement and the Releases.
